Purpose

Anti-dandruff, anti-seborrheic dermatitis, anti-psoriasis

Use

controls the symptom of:

- dandruff
- seborrheic dermatitis
- psoriasis

Warnings

For external use only.

Ask a doctor before using this product if condition covers a large area of the body.

When using this product

- avoid contact with the eyes. If contact occurs, rinse eyes thoroughly with water
- use caution in exposing skin to sunlight after applying this product. It may increase your tendency to sunburn for up to 24 hours after application.
- do not use for prolonged periods without consulting a doctor.
- do not use this product with other forms of psoriasis therapy such as ultraviolet radiation or prescription drugs unless directed to do so by a doctor.

Stop use and ask a doctor if condition worsens or does not improve after regular use of this product as directed.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- for best results use at least twice a week or as directed by a doctor
- wet hair thoroughly
- massage shampoo into the scalp
- lather, leave on hair and scalp for several minutes.
- rinse and repeat

Other information

- store away from direct sunlight
- in rare instances, discoloration of gray, blonde, bleached or tinted hair may occur
