Miconazole Spray

Davis Miconazole Spray is a powerful yet gentle solution designed to help relieve common dermatological conditions associated with fungal infections. Formulated with 2% Miconazole Nitrate, it effectively combats problems such as ringworm, yeast-related skin infections, and seborrheic scaling, helping to restore healthy skin. Free from dyes and fragrances, it minimizes the risk of irritation-making it a good choice for dogs, cats, puppies, kittens, and horses. Fast-acting, easy to apply, and non-irritating, Miconazole Spray is perfect for spritzing on trouble spots in between baths.

Active Ingredients: 2% Miconazole Nitrate

Inactive Ingredients: Polyethylene Glycol, Ethanol, Polysorbate, Butylated Hydroxytoluene, Vitamin E

DIRECTIONS FOR USE

Shake well before using. Spray a thin layer directly on affected areas twice daily or as directed by a veterinarian. Do not get into eyes or nose. If conditions do not improve, consult a veterinarian.

Precautions

For topical use only on dogs, cats, and horses. Not for use for animals intended for food. Avoid contact with eyes and mucous membranes. Discontinue use if skin becomes irritated or inflamed.

For External Use Only

Made in The USA
