

BILAC- lactobacillus acidophilus, bifidobacterium animalis lactis capsule

Wellness Pharma, LLC

Statement of identity

Bilac is an orally administered prescription probiotic formulation for the clinical dietary management of suboptimal nutritional status in patients where advanced supplementation is required and nutritional supplementation in physiologically stressful conditions for maintenance of good health is needed.

Bilac should be administered under the supervision of a licensed medical practitioner.

Warning

This product is contraindicated in patients with a known hypersensitivity to any of the ingredients.

Bilac should be administered under the supervision of a licensed medical practitioner. Use with caution in patients that may have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications.

KEEP THIS OUT OF THE REACH OF CHILDREN.

Dosage and administration

Usual adult dose is 1 capsule once or twice daily or as prescribed by a licensed medical practitioner.

Safe handling and warning

Store at controlled room temperature 15°-30°C (59°F-86°F). Keep in cool dry place. [See USP Controlled Room Temperature] Call your doctor about side effects. You may report side effects to FDA at 1-800-FDA-1088.
