T-HEXX Dry Teat Sealant

T-HEXX®
Animal Health
External Teat Dip DRY™

Ingredients:

Ethanol, Ethyl Acetate, Water, Acid Blue 9, Polyvinylpyrrolidone

Net Contents: 0.95 liters (32 fl. oz.)

Teat protection dip for dry cows.

For Dry Cows

T-Hexx DRY Teat Dip is a safe and easy to use dry cow teat dip that uses patented technology to safely and effectively seal and protect the teats at dry off in your program producing a physical barrier to aid in reducing the spread of organisms which may cause mastitis.

Directions For Use

Use in a well ventilated area. Do not pour unused product back into original container. Keep container tightly closed when not in use. Apply with a disposable paper cup.

At Dry Off

At last milking prior to dry off, milk out cow completely. Clean and dry teats, then dip entire length of teat with T-HEXX DRY Teat Dip. For maximum protection, a second application may be applied after the first coating is dry.

10 Days Prior to Calving

Clean teat thoroughly and wipe with dry towel. Dip entire length of teat into T-HEXX DRY Teat Dip. Dip should remain on teat 3-7 days. Observe daily and re-dip if product is removed prior to calving. After calving, peel off any remaining teat dip prior to milking.

NOT FOR HUMAN USE

For External Use Only

READ THIS LABEL AND THE SAFETY DATA SHEET (SDS) BEFORE USING THIS PRODUCT

KEEP OUT OF REACH OF CHILDREN

Danger:

Highly flammable liquid and vapour. Causes serious eye irritation.

Caution: Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Keep container tightly closed.

Ground/Bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting equipment. Use only non-sparking

tools. Take precautionary measures against static discharge. Wash hands, forearms and face thoroughly after handling. Wear protective

gloves/protective clothing/eye protection/face protection. **FIRST AID:** Skin/Hair: Take off immediately all contaminated clothing. Rinse

skin with water/shower. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do.

Continue rinsing. If eye irritation persists: Get medical advice/attention. In case of fire: Use media other than water to extinguish. Store

in a well-ventilated place. Keep cool. Dispose of contents/container to hazardous or special waste collection point, in accordance with local, regional, national and/or international regulation.

Lot and expiry on bottom of package.
