DIME

CREAMY FOAM CLEANSER

GLYCOLIC + SALICYLIC ACID

4 oz 120mL

Foaming cleansers are lightweight and incredibly effective at removing dirt, excess oil, and other impurities. This cleanser includes Glycolic Acid, which is an AHA, to effectively, but gently exfoliate the skin. Salicylic Acid is a BHA that dissolves dead skin cell debris that clogs pores causing blemish formation. Foam cleansers are ideal for blemish-prone skin since it deeply cleanses, unclogs pores, and doesn't leave the skin feeling dry.

D I M E

SUGGESTED USE

Dispense 2-3 pumps of foam into your hand. Gently rub hands together to bring to a lather. Massage onto face in circular motions for 60 seconds. Rinse off with lukewarm water.

**CREAMY FOAM
CLEANSER**

CAUTION: For external use only. Avoid direct contact with eyes. If irritation occurs, rinse with cool water and discontinue use.
