Salicylic Acid

Acne treatment

Use: For the treatment of acne

- For external use only.
- Flammable
- Keep away from source of heat or fire

**Ask doctor or pharmacist before use**

Ask doctor or pharmacist before use if you are using other topical acne medications at the same time or immediately following use of this product. This may increase dryness or irritation of the skin. If this occurs, only one medication should be used unless otherwise directed by a doctor.

**When using this product**

When using this product avoid contact with eyes. If contact occurs, rinse eyes thoroughly with water for 15 minutes.

**Stop use and ask a doctor**

Stop use and ask a doctor if irritation, dryness or redness develops and lasts. Ask doctor before use if pregnant/breastfeeding.

**Keep out of reach of children.**

Keep out of reach of children. In case of accidental ingestion, get medical help or contact a Poison Control Center immediately.

**Directions**

New Users: Apply to small area before use to test for sensitivity, If no discomfort occurs, apply to affected area and rinse off. Start with one application and gradually increase to 2-3 times daily if needed or as directed by physician.

**Other Information**

Store at room temperature.

**Inactive Ingredients**

Water, Alcohol Denat, Isoceteth-20, Fragrance (Parfum), Benzophenone-4, Red 4

**Drug Facts**

Active ingredient	Purpose
Salicylic Acid 2%	Acne Treatment

**Use** For the treatment of acne.

**Warnings**  
For external use only.

**When using this product** ■ skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

**Keep out of reach of children.** In case of accidental ingestion, get medical help or contact a Poison Control Center immediately.

**Directions**  
■ clean the skin thoroughly before applying this product ■ cover the entire affected area with a thin layer one to three times daily ■ because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor ■ if bothersome dryness or peeling occurs, reduce application to once a day or every other day.  
*Sensitivity Test for a New User.* Apply product sparingly to one or two small affected areas during the first 3 days. If no discomfort occurs, follow the directions stated.

**Other information**  
■ Store at room temperature.

**Inactive ingredients**  
Water (Aqua), Alcohol Denat., Isoceteth-20, Fragrance (Parfum), Benzophenone-4, Red 4.
