

CURIST LIDOCAINE PATCH MAXIMUM STRENGTH- lidocaine patch
Little Pharma, Inc.

Curist Lidocaine 4% Fabric Patch

Drug Facts

Active ingredient

Lidocaine 4%

Purpose

Topical Anesthetic

Use

temporarily relieves minor pain

Warnings

For external use only

Do not use

- on raw surfaces, blistered areas, wounds or other damaged skin
- with a heating pad
- more than one patch on your body at a time
- with other topical anagesics

When using this product

- use only as directed
- avoid contact with the eyes
- do not bandage tightly

Stop use and ask a doctor if

- pain, swelling, blistering or other irritation occurs where patch was applied
- condition worsens
- symptoms last more than 7 days
- condition clears up and occurs again within a few days

If pregnant or breastfeeding, ask a health professional before use.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- **adults and children 12 years of age and older:**
- clean and dry the affected area
- open pouch and remove one patch
- remove the protective backing from the patch starting at the corner
- apply sticky side of patch to affected area
- reseal pouch containing unused patches after each use
- use one patch for up to 12 hours
- discard patch after single use

- **children under 12 years of age:** ask a doctor

Other information

- store in a clean, dry place outside of direct sunlight
- protect product from excessive moisture

Inactive ingredients

Acrylic adhesive, alcohol, black pepper extract
