**Pharmaseb MOUSSE Cucumber Melon**

***Drug Facts***

***Active Ingredients***

Chlorhexidine Gluconate, USP .....2%  
Ketoconazole, USP .....1%

***Purpose***

Antibacterial  
Antifungal

***Inactive Ingredients***

Water, Glycerin, Propylene Glycol, Polysorbate 20, Lactic Acid, PEG-75 Lanolin, Sodium Lactate, Aloe Barbadosis (Aloe) Leaf Juice, Fragrance, Methylisothiazolinone.

***Uses:***

A medicated mousse with antimicrobial and antifungal activity designed for dogs, cats and horses w/dermatological conditions responsive to chlorhexidine and ketoconazole.

***Directions for Use:***

Apply directly onto the affected area(s) up to 3 times daily, or as directed by veterinarian. Do not allow the animal to lick the treated areas until dry to prevent ingestion.

***Precautions***

For topical use on animals only. Avoid contact with eyes, or mucous membranes. If eye contact occurs, rinse thoroughly with water and consult a veterinarian. Do not allow the animal to directly inhale the mousse.

***Cautions***

If undue skin irritation develops or increases, discontinue use and consult a veterinarian.

**Keep out of reach of children.** In case of contact with eyes or mucous membranes, flush with copious amounts of water for 5-10 minutes. If irritation persists seek medical attention immediately.

A Broad Spectrum Antibacterial Mousse Formulated with 2% Chlorhexidine for Maximum Effectiveness

Formulated for Dogs, Cats & Horses

At Animal Pharmaceuticals we strive to provide the best nutritional and topical treatments for your pet by going above and beyond.... and we don't stop there. We know that caring for your pet is just as important as caring for your own health, so we've developed and implemented systems that make things easier on you and convenient for your veterinarian.

### **OUR ASSURANCE**

Animal Pharmaceuticals products are designed with our proprietary technology that helps retrieve and sustain the nutrients and healthful ingredients. Our proprietary formulation enhances the effects of functional ingredients and penetrates the skin and the effective areas to exert the corrective results.

Additionally, and as always, you'll find that all our bottles and containers are made of recyclable plastic. Please help us protect the environment by recycling.

**ALL PRODUCTS ARE MADE IN THE U.S.A. AND 100% QUALITY GUARANTEED.**
