

PIMPLE POTION RETINAL PLUS SALICYLIC ACID ACNE TREATMENT- salicylic acid cream

Allure Labs Inc

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

DRUG FACTS

Active Ingredient: Salicylic Acid 2%

Purpose: Acne Treatment

Uses:

- For the treatment of acne
- Dries & clears acne blemishes and allow skin to heal.
- Penetrates pores to reduce the number of blackheads and whiteheads.
- Helps prevent new acne blemishes, whiteheads & blackheads from forming.

Warnings: For external use only.

Do not use on damaged or broken skin.

Keep out of the reach of children. If product is swallowed, get medical help or contact a Poison Control Center right away.

When using this product skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Stop use and ask a doctor if rash occurs.

- Clean the skin thoroughly before applying this product.
- Cover the entire affected area with a thin layer one to three times daily.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two to three times daily if needed or as directed by a doctor.
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.

Other Information: Protect this product from excessive heat and direct sun.
