

5 PERCENT BENZOYL PEROXIDE CLEANSER- benzoyl peroxide gel **Brand Evangelists for Beauty Limited**

5 Percent Benzoyl Peroxide Cleanser

Drug Facts

Active ingredients

Benzoyl Peroxide 5%

Purpose

Acne Medication

Uses

- for the treatment of acne.

Warnings

For external use only.

Do not use if

- you have very sensitive skin • are sensitive to benzoyl peroxide

When using this product

• skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time • if irritation occurs, only use one topical acne medication at a time • avoid unnecessary sun exposure and use a sunscreen • avoid contact with the eyes, lips and mouth • avoid contact with hair and dyed fabrics, which may be bleached by this product • skin irritation may occur, characterized by redness, burning, itching, peeling or possibly swelling • irritation may be reduced by using the product less frequently or in a lower concentration.

Stop use and ask a doctor if

irritation becomes severe.

If pregnant or breastfeeding

ask a health professional before use.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

Sensitivity test for a new user. Apply product sparingly to one or two small affected areas during the first 3 days. If no discomfort occurs follow the directions stated below.

- wet area to be cleansed
- apply acne wash and gently massage area for 1-2 minutes
- rinse thoroughly and pat dry
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to 2 or 3 times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day
- if going outside, apply a broad spectrum sunscreen after using this product
- if irritation or sensitivity develops, stop use of both products and ask a doctor.

Inactive ingredients
