PURPOSE

Acne Treatment

WARNINGS

For external use only. Flammable. Keep away from heat or flame.

When using this product

- Skin irritation and dryness is more likely to occur if you use another topical acne product at the same time. If irritation occurs, only use one topical acne medication at a time.

Do not use

- If you are allergic to the dressing or any of the components.

Keep out of reach of children

- If swallowed, get medical help or contact a Poison Control Center

KEEP OUT OF REACH OF CHILDREN

If swallowed, get medical help or contact a Poison Control Center

Uses

■ For the treatment of acne

Directions

Adults and children over 12 years:

- Cleanse and dry the affected area before using the patch.
- Select the appropriate size of patch. Don't apply any skin care product on desire area.
- Apply the patch to the

affected area. Press down for 5 seconds to make sure the acne patch is sticking securely. • Leave on 7~10 hours and apply new patch if needed. Depending on the size and stage of the whitehead, you might need to use another patch.
 • Children 12 years and younger: ask a health professional

Other Information

- Do not store this product in an inappropriate place such as high or low temperatures or under direct sun light.
- Use immediately after removing from the sheet.
