

HERSTAT GST GENITAL SORE TREATMENT- camphor, menthol ointment
Herstat (USA) Inc.

HERSTAT GST Genital Sore Treatment

ACTIVE INGREDIENTS

Camphor 3%

Menthol 0.1%

PURPOSE

External analgesic

USES

Temporarily relieves pain and itching associated with genital sores.

WARNINGS

For external use only.

When using this product:

When using this product:

- Do not use in or around the eyes.
- Do not use this product if you are pregnant or breastfeeding
- Almond Oil, Propolis, Eucalyptus and Thyme Oil may cause skin irritation.
- Do not use if allergic to bee byproducts.
- If you think you have Genital Herpes (HSV-2) you should consult your doctor or health professional.
- Herstat GST is not a cure for herpes and will not prevent future outbreaks.
- This product will not stop the spread of the herpes virus or other viruses. Viral infections are contagious.
- Herstat GST does not prevent sexually transmitted infections (STIs).
- Practice safer sex by using a latex or polyurethane condom to reduce the risk of getting STIs.
- Herstat GST may damage condoms and diaphragms and cause them to fail.

Stop use and ask a doctor if:

- Condition worsens.
- Symptoms last more than 7 days or clear up and occur again within a few days.

Keep out of reach of children.

Keep out of reach of children.

If swallowed, get medical help or contact a poison control center right away.

DIRECTIONS

Wash hands well before and after applying. Smooth a small amount onto the affected area. Adults and children 12 years of age and older: Apply to the affected area at least 5 times per day.

Children under 12 years of age: consult a doctor or healthcare professional before use and under adult supervision.

OTHER

Close lid tightly and store in a cool, dry place.

INACTIVE INGREDIENTS

Alcohol, Almond Oil, Bees Propolis Extract, Eucalyptus Leaf Oil, Olive Extract, Thyme Leaf Oil.
