Disclaimer: This homeopathic product has not been evaluated by the Food and Drug Administration for safety or efficacy. FDA is not aware of scientific evidence to support homeopathy as effective.

Naturasil Tinea Versicolor Treatment kit

Naturasil Tinea Versicolor Relief Lotion

Drug Facts

Active Ingredients:

Sulfur 6X HPUS

The letters HPUS indicate the component(s) in this product is (are) officially monographed in the Homeopathic Pharmacopeia of the United States.

Purpose

Tinea Versicolor Symptom Relief

Uses:

Symptomatic treatment of Tinea Versicolor.

Warnings:

For external use only.

Ask a doctor before use if pregnant or nursing. Avoid using near eyes, mouth or mucous membranes.

Keep out of reach of children. Do not use if tamper evident seal is broken. In case of ingestion, call Poison Control Center hotline immediately at 1-800-222-1222.

Directions:

Shake well. Cleanse skin thoroughly with Tinea Versicolor Soap before applying lotion. Apply lotion 2-3 times per day to affected area until Tinea Versicolor has cleared. This two-part system does require you use both soap and lotion for proper healing. Re-Exposure to UV ray (the Sun) is essential in bringing back the melanin pigment of your skin. Some individuals may be sensitive to essential oils. Skin test for tolerability. If irritation or reaction occurs, discontinue use.

Inactive Ingredients:

Aqua, Carbomer, Cetearyl Alcohol, Cymbopogon Citratus Leaf Oil, Eucalyptus Leaf Oil, Glyceryl Stearate, Helianthus Annus (Sunflower) Seed Oil, Jojoba Seed Oil, Lavender Oil, Melaleuca Alternifolia Leaf Oil, Patchouli Leaf Oil, Phenoxyethanol, Polysorbate 20, Potassium Sorbate, Sodium Hydroxide.

Naturasil Tinea Versicolor Relief Soap

Drug Facts

Active Ingredients:

Sulfur 1X HPUS

Thuja Occidentalis 6X HPUS

The letters HPUS indicate the component(s) in this product is (are) officially monographed in the Homeopathic Pharmacopeia of the United States.

Purpose

Tinea Fungus Symptom Relief.

Uses:

Symptomatic homeopathic topical treatment of common fungal Tinea Versicolor.

Warnings:

For external use only.

Ask a doctor before use if pregnant or nursing. Avoid using near eyes, mouth or mucous membranes. If contact with eyes or mucous membranes occurs, rinse thoroughly with water.

Keep out of reach of children.

In case of ingestion, call Poison Control Center hotline immediately at 1-800-222-1222

Directions:

Use soap at least 2 times per day, for 4-10 days. Re-Exposure to UV ray (Sun) is essential in bringing back the melanin pigment of your skin. Drying of skin may occur. Some individuals may be sensitive to essential oils. Skin test for tolerability. If irritation or reaction occurs, discontinue use.

Inactive Ingredients:

Aqua, Citric Acid, Cocamidopropyl Betaine, Cocos Nucifera (coconut oil), Glycerin, Glyceryl Laurate, Lavender Oil, Pentasodium Pentetate, Propylene Glycol, Sodium

Chloride, Sodium Citrate, Sodium Laurate, Sodium Myristate, Sodium Oleate, Sodium Stearate, Sodium Thiosulfate, Sorbitol, Tetrasodium Etidronate, Titanium Dioxide, Trisodium Sulfosuccinate.

Homeopathic Formula

All Natural, Homeopathic, No Acids, Pain-Free for Children and Adults

- **Child-Safe (2 Yrs & Above)**
- **100% Natural Ingredients**
- **100% Pain-Free Solution**

#1 Selling Natural product Since 2003

Now you can eradicate Tinea Versicolor at home with our Two-Part Tinea Versicolor Treatment Kit. We've included our highly effective 4 oz. Tinea Versicolor Lotion and our 4 oz. Tinea Versicolor Soap. Both our lotion and soap are made with 100% natural plant extracts. These powerful homeopathic formulas gently clear away Tinea Versicolor, a common fungal skin infection, without pain.

Naturasil Tinea Versicolor Lotion is a natural blend of nourishing and anti-inflammatory essential oils that bring quick relief of Tinea Versicolor fungal infections. The added Sunflower oil helps to hydrate and soothe your skin.

Naturasil Tinea Versicolor Sulfur-Lavender Homeopathic Soap is a micronized volcanic sulfur soap with pure lavender oil and natural plant extracts. Due to their naturally occurring and proven calming properties sulfur and lavender have been used for centuries in assisting in the treatment of many common fungal skin infections including Tinea fungal infections. Each bar of soap is hand made, paraben free, EDTA free and Sodium Laurel Sulfate Free.

Naturasil Tinea Versicolor Treatment Kit is recommended as a fast, natural solution that eliminates the need for an expensive dermatologist visit. Proudly small batched by our skilled production technicians in our FDA registered facility outside of Atlanta, Georgia USA.

Lotion and soap **MUST** be used together for optimum relief and healing. Thoroughly wash affected area with Tinea Versicolor Relief Soap and dry. Next, apply Tinea Versicolor Lotion 2-3 times daily. Re-Exposure to UV rays (the Sun) is essential in bringing back the melanin pigment of your skin. Drying of skin may occur. Some individuals may be sensitive to essential oils. Skin test for tolerability. If irritation or reaction occurs, discontinue use.
