Naturasil Mite•B•Gone EXTREME BATH SOAK

Drug Facts

Active Ingredients:

Sulfur 6X HPUS

The letters HPUS indicate the component(s) in this product is (are) officially monographed in the Homeopathic Pharmacopeia of the United States.

Purpose

Mite Symptom Relief

Uses:

Symptomatic Relief of Itching and Skin Irritation from Bug Bites.

Warnings:

For external use only. Ask a doctor before use if pregnant or nursing. Avoid using near eyes or mouth.

Keep out of reach of children. Do not use if tamper evident seal is broken. In case of ingestion call Poison Control Center hotline immediately at 1-800-222-1222.

Directions:

Add 10-20 drops to bath water. Soak for 20 minutes, air dry. May be used for spot treatment. To speed relief, we recommend to use Naturasil Mite-B-Gone Extreme Soap and Cream. Some individuals may be sensitive to essential oils. Skin test for tolerability. If irritation or reaction occurs, discontinue use.

Inactive Ingredients:

Cymbopogon Citratus Leaf Oil, Medium-chain triglyceride oil, Melaleuca Alternifolia Leaf Oil

Topical Homeopathic Liquid Solution

Naturally formulated to comfort, soften, and rejuvenate skin.

Ideal for use in the bath or for direct topical application

ECO FRIENDLY

MADE IN USA

Product Overview

Transform your bath into a calming, sulfur-infused soak designed to support skin comfort and hydration.

Mite-B-Gone Extreme Bath Soak combines naturally derived ingredients to help relieve irritation, soften dry skin, and promote a refreshed, balanced feel.

How to use

Add 10-20 drops to warm bathwater and soak for 20-30 minutes. Air-dry after bathing. For localized areas, apply a few drops directly with a cotton ball. Remove jewelry before use.

Caution

For external use only. Test skin sensitivity before first use. Avoid eyes, mouth, and broken skin. If irritation occurs, discontinue use.
