

**RAPID RELIEF HOT RELIEF PATCH- methyl salicylate patch**  
**RAPID AID VIET NAM CO., LTD**

-----

**Active Ingredient(s)**

Methyl Salicylate 10% w/w.

**Purpose**

Topical analgesic

**Use**

For the temporary relief of minor aches and pains of muscles and joints associated with backache, lumbago, strains, buries, sprains and arthritis or rheumatic pain, or pain of tendons and ligaments.

**Warnings**

For external use only.

Do not apply to sensitive skin or open wounds.

Avoid contact with eyes or mucous membranes

If excessive redness, burning or discomfort of the skin develop, discontinue use and consult a healthcare practitioner.

If condition worsens, or if symptoms persist for more than 7 days or clear up and occur again within a few days, discontinue use of this product and consult a healthcare practitioner.

Never use this product with any other heating or cooling device or with other external analgesic products.

The application of external heat, such as an electric heating pad, may result in excessive skin irritation or burn.

Do not bandage this product or cover with anything other than light clothing

Do not use this product if you are allergic to salicylates or if you are taking anticoagulant medications.

**Do not use**

on wounds, cuts, damaged or infected skin

On eyes, mouth, genitals, or any other mucous membranes

**When using this product:**

You may experience a burning sensation. The intensity of this reaction varies among individuals and may be sever. With regular use, this sensation generally disappears after several days.

Avoid contact with the eyes, lips, nose and mucous membranes

Do not tightly wrap or bandage the treated area  
Do not apply heat to the treated area immediately before or after use

**Stop use and ask a doctor if:**

Allergic reaction occurs  
Condition worsens or does not improve within 7 days  
Symptoms clear up and return within a few days  
Redness, irritation, swelling, pain or other symptoms begin or increase

**KEEP OUT OF REACH OF CHILDREN**

Children 12 years of age and under: should only use this product upon the advice of a healthcare practitioner.
