Prevencia Nasal Spray

Drug Facts Labeling

DRUG FACTS

Active ingredients	Purpose
Fucus vesiculosus (Fucoïdan) HPUS 3X.....	Natural antiviral
Colostrum sarcodes HPUS 3X.....	Natural antiviral

The letters HPUS indicate that this ingredient is officially included in the Homeopathic Pharmacopeia of the United States (HPUS).

Warnings For nasal use only

Do not use if you have a sensitivity or allergy to any of the ingredients. If an allergic reaction occurs, stop use and seek medical help right away. **Ask a doctor before use if you have** ear, nose, or throat sensitivity or susceptibility to nosebleeds.

When using this product • if accidental eye contact, skin irritation, or rash occurs, rinse with water and discontinue use • use of this container by more than one person may spread infection • temporary discomfort such as burning, stinging, sneezing, or an increase in nasal discharge may occur

Stop use and ask a doctor if • symptoms get worse or last more than 7 days or accompanied by fever • redness or swelling is present • new symptoms occur

If pregnant or breast feeding, ask a health professional before use. **Keep out of reach of children.** If swallowed, get medical help or contact a Poison Control Center.

Directions

Adults and children 12 years of age and older:

1. Shake well before using. Remove cap and clip. Before using for the first time, prime pump by depressing the rim a few times for the fine mist to appear.
2. Without tilting head, place tip of nozzle in the nostril. Without inhaling, depress the rim and pump once into each nostril. Do not overspray.
3. Wipe away any excess.
4. Use every 4 to 6 hours.

Other information Store at room temperature 15-29° (59-84°F)

Inactive ingredients aloe vera, benzalkonium chloride, carboxymethylcellulose sodium, cetrimonium chloride, deionized water, menthol, polyquaternium-22, potassium sorbate, propylene glycol, sodium phosphate, and xanthan gum.
