When Using This Product

- Skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only one medication should be used. Do not use if you are allergic to the dressing or any of its components.

Keep Out of Reach of Children

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

For products applied to and left on the skin:

- Cleanse thoroughly before applying this product
- Cover the entire affected area with one dot
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times a daily if needed or as directed by a doctor
- If bothersome dryness or peeling occurs, reduce application to once a day or even every other day
- **Sensitivity Test for a New User:** Apply product sparingly to one or two small affected areas during the first 3 days. If no discomfort occurs, follow the directions stated above.

Other

- Store between 15C - 30C

PEACE OUT ACNE

DON'T PICK IT. JUST STICK IT!

Helps treat and heal blemishes in 6 hours*

PESKY BLEMISH? PUT A DOT ON IT. PEACE OUT, ACNE!

Zap that zit! Where applied, these anti-acne dots contain salicylic acid to penetrate pores and clear up blemishes. Vitamin A helps promote clear-looking skin while aloe vera gently soothes and minimizes the appearance of redness. Hydrocolloid polymer technology helps extract impurities and guards against external elements by creating a barrier. Overnight, your blemish looks less red and significantly less annoying.
