**Exuviance® OptiLight All-Over Dark Spot Minimizer
with Sunscreen Broad Spectrum SPF 35**

Drug Facts

Active ingredients

Avobenzone 3%
Octinoxate 7.5%
Octisalate 5%

Purpose

Sunscreen

Uses

- Helps prevent sunburn
- If used as directed with other sun protection measures (see **Directions**), decreases the risk of skin cancer and early skin aging caused by the sun

Warnings

For external use only

Do not use on damaged or broken skin

When using this product keep out of eyes. Rinse with water to remove.

Stop use and ask a doctor if rash occurs

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Apply liberally to face and neck daily, 15 minutes before sun exposure
- Use a water resistant sunscreen if swimming or sweating
- Reapply at least every 2 hours
- **Sun Protection Measures.** Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease this risk, regularly use a sunscreen with a broad spectrum SPF of 15 or higher and other sun protection measures including:
 - Limit time in the sun, especially from 10 a.m. - 2 p.m.
 - Wear long-sleeve shirts, pants, hats, and sunglasses
- Children under 6 months: Ask a doctor

Create an all-over even complexion and help protect skin against new signs of photoaging.

This comprehensive, all-over facial treatment helps reduce the appearance of dark spots brought on by aging and environmental exposure, creating a more uniform and younger-looking complexion.

Formulated with a unique blend of brightening ingredients, this dermatologist-developed, triple action performer takes a multi-action approach to target uneven coloration. NeoGlucosamine enhances exfoliation to smooth and brighten the look of dark spots, while a combination of two
