"HPUS" indicates that the ingredient is officially included in the Homeopathic Pharmacopeia of the United States and the manufacturer has followed all guidelines set forth.

Statement of Identity: Stimulant.

Uses

For the relief of the symptoms of jet lag, including weakness, fatigue, nausea and exhaustion caused by lengthy flights or disruptions of normal sleep patterns.

Warnings

- **Do not use if outer package seal is broken.**
- **Stop use and consult a doctor if symptoms do not improve within 3 days or are accompanied by a fever.**
- **Not intended as a substitute for sleep.**
- **Consult a doctor before use in children younger than 8 years of age.**

- **If pregnant or breast-feeding, consult a health professional before use.**

- **Keep out of reach of children.**

Directions

(adults and children 8 years of age and older)

Chew two tablets thoroughly at take-off, allowing each to dissolve in the mouth, then swallow. Then take two every two hours, and one after landing. However, intervals of up to four hours between

tablets are acceptable if sleeping.

Other information

- Safe to take with all other medications.
- Store at 68-77°F (20-25°C) and keep out of direct sunlight.
- Avoid humid or damp storage conditions. Close well when not in use.

Inactive Ingredients

Lactose, magnesium stearate (vegetable source), stevia leaf extract.
