

**ACNE BIOTIC MOISTURIZER- salicylic acid lotion**  
**Dermalogica, LLC.**

-----  
**Acne Biotic Moisturizer**

***Drug Facts***

**Active Ingredients**

Salicylic Acid (0.5%)

**Purpose**

Acne treatment

**Use**

For the treatment of acne

**Warnings**

**For external use only**

**Do not use**

- In or near eyes. If contact occurs, flush thoroughly with water.
- If irritation or redness develops, discontinue use.

**When using this product**

- Apply to affected areas only.
- Skin irritation and dryness are more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

**Keep out of reach of children.**

If swallowed, get medical help or contact a Poison Control Center right away.

**Directions**

- Clean the skin thoroughly before applying this product.
- Cover the entire affected area with a thin layer one to three times daily.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor.
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.

**Inactive Ingredients**

Water/Aqua/Eau, Butylene Glycol, Propanediol, Niacinamide, Octyldodecanol, Ethylhexyl Olivat, Glycerin, Erythritol, Inulin, Cetearyl Olivat, Lavandula Angustifolia (Lavender) Oil, Lavandula Hybrida Oil, Citrus Limon (Lemon) Peel Oil, Salvia Sclarea (Clary) Oil, Hydrolyzed Jojoba Esters, Morinda Citrifolia Fruit Extract, Leptospermum Scoparium Branch/Leaf Oil, Phaeodactylum Tricornutum Extract, Magnolia Officinalis Bark Extract, Piper Nigrum (Pepper) Seed Extract, Rosmarinus Officinalis (Rosemary) Leaf Oil, Tocopherol, Xylitol, Squalane, Caprylyl Glycol, Lecithin, Glutamic Acid, Polyquaternium-80, Didecyldimonium Chloride, Methylpropanediol, Sorbitan Olivat, Tetrasodium Glutamate Diacetate, Citric Acid, Sodium Hydroxide, Polyacrylate Crosspolymer-6, Caprylic Acid, Linalool, Limonene.

acne biotic moisturizer

Acne-targeting daily gel helps prevent breakouts. Lightweight moisturizer with a prebiotic blend hydrates and supports skin's microbiome, helping aging skin look healthier, now and in the future. Bioengineered Plankton Extract and Glycerin hydrate skin's barrier, helping to defend against signs of premature aging and soothe skin. A prebiotic blend with Indian Mulberry, Glutamic Acid, and Agave-derived Inulin hydrates and helps balance skin's microbiome. Salicylic Acid reduces acne by exfoliating away dead skin cells, helping to keep pores clear and prevent future breakouts. Niacinamide and Jojoba strengthen the skin barrier, helping to reduce the look of pores and post-inflammatory marks to brighten and smooth. Manuka and Magnolia extracts visibly reduce sebum for more balanced skin.

Ce gel quotidien ciblant l'acné aide à prévenir les éruptions cutanées. Hydratant léger enrichi d'un mélange de prébiotiques, il nourrit et soutient le microbiome cutané pour aider la peau à paraître plus saine, aujourd'hui et demain. L'extrait de plancton issu de la bio-ingénierie et la glycérine hydratent la barrière cutanée pour l'aider à se protéger des signes de vieillissement prématuré et apaiser la peau. Un mélange prébiotique à base de mûrier indien, d'acide glutamique et d'inuline dérivée d'agave hydrate la peau et aide à équilibrer son microbiome. L'acide salicylique réduit l'acné en exfoliant les cellules mortes de la peau et contribue à désobstruer les pores pour éviter de nouvelles éruptions cutanées. La niacinamide et le jojoba renforcent la barrière cutanée et aident à réduire l'apparence des pores et des marques post-imperfections pour illuminer et lisser la peau. Les extraits de manuka et de magnolia réduisent visiblement le sébum pour une peau plus équilibrée.
