Drug Fact

Active Ingredient:

Salicylic Acid 0.5%

Purpose:

Acne Treatment

Uses:

For the treatment of acne

Helps prevent new acne blemishes

Warning:

For external use only

When Using This Product:

Keep out of eyes, rinse with water to remove.

Skin irritation and dryness is more likely to occur if you use another topical acne medications at the same time. If irritation occurs, only use one medication at a time.

Stop use and ask a doctor if

rash occurs

Keep Out of Reach of Children

Directions:

Cleanse the skin thoroughly before applying medication. Cover the entire affected area with a thin layer one to three times daily. Because excessive drying of skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor. If bothersome dryness or peeling occurs, reduce application to once a day or every other day.
