Drug Facts

Active ingredient

Salicylic acid 2.0%

Purpose

Acne treatment

Uses

for the management of acne.

Warnings

For external use only

When using this product

- Skin irritation and dryness are more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- Avoid contact with eyes. If contact occurs, rinse eyes thoroughly with water.

Stop use and ask a doctor.

- If irritation becomes severe.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Cleanse the skin thoroughly before applying this product.
- Roll on to cover the entire affected area with a thin layer one to three times daily.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily, if needed, or as directed by a doctor.
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.
