Uses

Temporarily relieves symptoms of colds, including accumulation of mucus in chest, throat and nose; cough with expectoration of thick, discolored mucus; runny nose, sneezing and nasal congestion.

Warnings

As with any drug, ask a doctor before use if pregnant or breast-feeding

Consult a physician if:

- Symptoms persist for more than 7 days or worsen
- inflammation, fever or infection develops.
- symptoms are accompanied by a high fever (over 101°F).
- Cough tends to recur or is accompanied by a high fever, rash or persistent headache.

Keep this and all medications out of the reach of children. In case of accidental overdose, contact a medical professional or a poison control center immediately.

Do not use this product for persistent or chronic cough such as asthma, smoking or emphysema or if cough is accompanied by excessive mucus, unless directed by a licensed health care professional.

A persistent cough may be a sign of a serious condition.

Sore throat warning: Severe or persistent sore throat or sore accompanied by high fever, headache, nausea and vomiting may be serious. Consult a doctor promptly.

Do not use if imprinted tamper-evident bottle band is broken or missing.

In case of emergency, contact a medical professional or poison control center immediately. Hyland's may also be contacted for emergency information about our products 24 hours a day, 7 days per week at (800) 624-9659.
