

CAPSAICIN TOPICAL ANALGESIC- capsaicin cream AvPAK

Capsaicin Cream 0.075%

Drug Facts

Active ingredient

Capsaicin 0.075%

Purpose

Topical Analgesic

Uses

temporarily relieves minor aches and pains of muscles and joints due to:

- simple backache
- arthritis
- strains
- sprains

Warnings

For external use only

Read all warnings and directions before use. TEST FIRST ON SMALL AREA OF SKIN.

Do not use

- on wounds or damaged skin
- if you are allergic to capsicum or chili peppers
- with heating pad

When using this product

- you may experience a burning sensation. The intensity of this reaction varies among individuals and may be severe. With regular use, this sensation generally disappears after several days.
- avoid contact with eyes, lips, nose and mucous membranes
- do not tightly wrap or bandage the treated area
- do not apply heat to the treated area immediately before or after use

Stop and ask a doctor if

- condition worsens or does not improve after regular use
- severe burning persists
- redness or blistering occurs

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center immediately.

Directions

Adults and children 18 years of age and older:

- apply a thin film of cream to affected area and gently rub in until fully absorbed
- unless treating hands, wash hands thoroughly with soap and water immediately after application
- for best results, apply 3 to 4 times daily.

Children under 18 years: ask a doctor

Other information

Store at room temperature 15° - 30°C (59°F - 86°F).
