

CAPSAICIN- capsaicin cream

AvPAK

Capsaicin Cream 0.1%

Active Ingredient: Capsaicin 0.1%

Purpose: Topical Analgesic

Uses: Provides penetrating pain relief. Temporary relief of minor aches and pains of muscles and joints associated with simple backache, arthritis, strains, bruises, and sprains.

Warnings: For external use only.

Do not use:

- on wounds or damaged skin
- if you are allergic to capsicum or chili peppers
- with heating pad

When using this produce:

- you may experience a burning sensation The intensity of this reaction varies among individuals and may be severe. With regular use, the sensation generally disappears after several days.
- avoid contact with the eyes, lips, nose and mucous membranes
- do not tightly wrap or bandage the treatment area
- do not apply heat, or direct sunlight to the treated area immediately before or after use

Stop use and ask a doctor if:

- condition worsens or does not improve after regular use
- severe burning persists
- redness or blistering occurs

Keep out of reach of children. If product is swallowed, get medical help or contact a Poison Control Center right away.

Directions - Adults and children 18 years of age and older

- apply a thin film of cream to affected area and gently rub in until fully absorbed
- unless treating hands, wash hands thoroughly with soap and water immediately after application
- for best results, apply 3 to 4 times daily

Children under 18 years: ask a doctor.

Other Information: store at room temperature 15° - 30°C (59° - 86°F)

Inactive Ingredients: Aloe barbadensis leaf extract, cetyl alcohol, glyceryl stearate SE, mineral oil, PEG-100 stearate, peppermint oil, phenoxyethanol, propylene glycol, purified water, stearyl alcohol, white petrolatum, xanthan gum
