

CAPSAICIN- capsaicin cream AvPAK

Capsaicin Cream 0.1%

Drug Facts

Active Ingredient

Capsaicin 0.1%

Purpose

Topical Analgesic

Warnings

For external use only: Read all warnings and directions before use. **Test first on small area of skin.**

Do not use:

- on wounds or damaged skin
- if you are allergic to capsicum or chili peppers
- do not use with heating pad or expose area to sunlight

When using this product:

- you may experience a burning sensation. The intensity of this reaction varies among individuals and may be severe. With regular use, this sensation generally disappears after several days.
- avoid contact with the eyes, lips, nose and mucous membranes
- do not tightly wrap or bandage the treatment area
- do not apply heat to the treated area immediately before or after use

Stop Use and Ask Doctor

Stop Use and Ask Doctor if:

- Condition worsens or does not improve after regular use
- severe burning persists
- redness or blistering occurs

Keep Out of the Reach of Children

Keep out of the reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Uses

Temporarily relieves minor aches and pains of muscles and joints due to:

- simple backache
- arthritis
- strains
- sprains

Directions

Adults and Children 18 years of age and older:

- apply a thin film of cream to affected area and gently rub in until fully absorbed
- unless treating hands, wash hands thoroughly with soap and water immediately after application
- for best results, apply 3 to 4 times daily

Children under 18 years:

Ask a doctor
