### **PURPOSE**

Sergeant's fur so fresh medicated shampoo introduces an exceptional skin care product for your pet. Tea Tree Oil, an essential oil derived from the foliage of the *Malaleuca alternifolia* has been used as a natural antiseptic in Australia for more than 60 years. This soap-free shampoo is pH-balanced and rinses with extraordinary ease. Sergeant's® fur so fresh® medicated shampoo's unique formulation temporarily helps relieve itching and flaking caused by seborrhea, while removing excess oil. With regular use this shampoo promotes cleaner, healthier skin, while leaving your dog's coat soft and shiny.

### **DIRECTIONS**

1. Shake gently before use. Wet dog's coat with water.
2. Pour shampoo along pet's back starting at the rump and working forward. Lather shampoo into the dog's coat and down to the skin. Avoid getting lather into pet's eyes. For best results leave shampoo on animal for 5 - 10 minutes to allow for greater penetration of ingredients, then rinse thoroughly and towel dry.
3. Gentle enough to use as often as necessary. Persistent cases may require 2 or 3 treatments at 1 week intervals. If condition worsens or does not improve after regular use of this product as directed, consult a veterinarian.

### **ACTIVE INGREDIENTS:**

Oil of *Malaleuca alternifolia*, Salicylic Acid, p-Chloro-m-xyleneol.

### **KEEP OUT OF REACH OF CHILDREN**

For external use as a cleansing shampoo only. Do not use on severely traumatized or irritated skin.
