The ultra-light **SPF 50 Face Lotion** is non-whitening and provides broad spectrum sun protection without leaving your face feeling greasy. Specially formulated with Polargel® UV technology—which utilizes a lower concentration of sunscreen actives so there's less potential for skin irritation—and maximizes skin protection by helping evenly disperse sunscreen actives and optimizing performance. Combined with Aloe Vera to moisturize and antioxidant Vitamin A and Picea Albies Wood Extract to provide free radical protection, this facial sunscreen helps treat the skin and provide effective daily sun protection.
