*Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.*

-----

**NuRinse<sup>®</sup> Hand Sanitizer**

**Active Ingredients:**

Ethanol Alcohol 70% v/v,

Purpose: Antiseptic

**Use:** For external use only on hands.

**Inactive Ingredients:**

Glycerin (for moisturizing), Hydrogen Peroxide, Water

**Directions:**

When using NuRinse Hand Sanitizer, apply a palmful of the product to one hand and rub the product all over the surfaces of both hands until your hands are dry. Do not wipe away excess sanitizer. For children under 6, use only with adult supervision. Not recommended for infants.

**WARNINGS:**

**Flammable:** Keep away from heat and flame. Keep container closed when not in use.

**When using this product:** Keep out of eyes. In case of contact with eyes, flush thoroughly with water. Avoid contact with broken skin. Do not inhale or ingest.

**Stop use and ask a Doctor:** If skin irritation develops.

**Keep out of reach of children:** If ingested, get medical help or call the Poison Control Center immediately.

**Other Information:**

Do not store above 105°F. May discolor some fabrics. Harmful to wood finishes and plastics.
