COFFEE AND TEA STAIN REMOVER

Can't live without your daily coffee and tea but worried about how it will stain your teeth over time? This revolutionary toothpaste with Micro Polishing Particles targets discoloration and yellowing on the tooth enamel caused by consumption of coffee and tea over time.

White Glo's exclusive Micro- Wax Protective Shield Formula also helps to repel new stains from forming, leaving teeth whiter, shinier and glossier. White Glo Coffee and Tea Drinkers Formula toothpaste contains fluoride to help protect against tooth decay.

THIS PACK CONTAINS:

NEW PRO-SOFT TOOTHBRUSH

Ultra-comfortable SlimTip bristle placement on the toothbrush head to optimise polishing and whitening and effective cleaning along gumline.

COFFEE & TEA STAIN REMOVER

Net WT 5.2 Oz (150 g)

White Glo Coffee and Tea Drinkers' Formula targets discoloration and yellowing on the tooth enamel caused by consumption of coffee and tea over time.

- Extra strong whitening formula
- Remove stains caused by coffee and tea consumption
- Micro-Wax Protective Shield to repel new stains from forming
- Long lasting fresh breath formula
- Fluoride protection to help prevent tooth decay
- Low abrasion - gentle on tooth enamel

This formula has been specifically designed to promote healthier teeth and gums.

DIRECTIONS:

Adults and children 2 years of age & older: Brush teeth thoroughly, preferably after each meal or at least twice a day, or as directed by a dentist or doctor. Do not swallow. To minimise swallowing use a pea-sized amount in children under 6. Children under 2 years ask a dentist. Use daily in place of your ordinary toothpaste. Electric toothbrush users should include White Glo Anti-Stain toothbrush for better results*
