Homeopathic Formula

Topical Mite and Multi-Purpose Itch Soap

with Micronized Volcanic Sulfur and Pure Lavender Oil

Paraben Free • EDTA Free • SLS Free

Naturasil Mite•B•Gone Soap is a micronized volcanic sulfur soap carefully blended with pure lavender oil, natural plant extracts and natural ingredients to give you fast relief from your worst itching and irritation.

Due to their naturally occurring and proven calming properties, sulfur and pure lavender have been used for centuries in assisting in the treatment of common parasitic skin infections, such as mites. We recommend using this soap as part of a complete topical mite treatment regimen which includes Mite•B•Gone Soap and Mite•B•Gone Cream.

Each bar of soap is hand made, paraben free, EDTA free and Sodium Laurel Sulfate Free.
