

WALGREENS ACNE SPOT TREATMENT- benzoyl peroxide lotion
WALGREEN COMPANY

Walgreens Acne Spot Treatment Lotion

Active Ingredient

Benzoyl peroxide 2.5%

Purpose

Acne Medication

Uses

for the treatment of acne

Warnings

For external use only

Do not use if you

- have very sensitive skin
- are sensitive to benzoyl peroxide

When using this product:

- avoid unnecessary sun exposure and use a sunscreen
- avoid contact with the eyes, lips, and mouth
- avoid contact with hair and dyed fabrics which may be bleached by this product
- skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling. Irritation may be reduced by using the product less frequently or in a lower concentration.
- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Stop use and ask doctor if

- irritation becomes severe.

Keep out of the reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Clean the skin thoroughly before applying this product
- Cover the entire affected area with a thin layer one to three times daily
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two to three times daily if needed or as directed by a doctor
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day
- If going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor.

Other information

- Keep tightly closed
- Avoid storing at extreme temperatures (below 40 F and above 100 F)

Inactive Ingredients

Water, Carbomer, Ethylhexylglycerin, Sodium Hydroxide, Chlorphenesin, Disodium EDTA, Laureth-4, Hydroxypropyl Methylcellulose.

Label

Active ingredient: Benzoyl peroxide 2.5%. **Warnings: For external use only.** ■ Do not use if you have very sensitive skin or if you are sensitive to benzoyl peroxide. **When using this product:** ■ avoid unnecessary sun exposure and use a sunscreen ■ using other topical acne drugs at the same time or right after use may increase dryness or irritation of skin. If this occurs, only one drug should be used. ■ keep away from eyes, lips and mouth. ■ this product may bleach hair or dyed fabrics. ■ Stop use and ask a doctor if irritation becomes severe and continues. ■ **Keep out of reach of children.** If swallowed get medical help or contact a Poison Control Center right away. **Directions:** ■ Clean the skin thoroughly before applying this product ■ Cover the entire affected area with a thin layer one to three times daily ■ Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily-if needed-or as directed by a doctor ■ If bothersome dryness or peeling occurs, reduce application to once a day or every other day ■ If going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor. **Other information:** Keep tightly closed. ■ Avoid storing at extreme temperatures (below 40° F and above 100° F).
