

2% MINOXIDIL HAIR REGROWTH SERUM- hair loss prodcut spray good manager holdings inc.

132*37*37mm

Other ingredients:
Water, Minoxidil, Glycerin, Butylene Glycol, Panthenol, Disodium EDTA, 3- α -Ethyloxy-Ascorbic Acid, Rosa Canina Fruit Oil, Sodium Phosphates, Carni Longa, Malus Domestica Fruit Cell Culture Extract, Centella Asiatica Root Extract, Hydroxyethylpiperazine-NONE, 1,2-HEXANEDIOL.

How does 2% MINOXIDIL WORK?
The 2% MINOXIDIL is designed to stimulate blood vessels and improve the flow of blood to the area. It's application improves their ability to deliver nutrients and oxygen to the hair follicles, which promotes the growth of thicker, stronger hair. In addition the topical treatment shortens the resting phase of hair growth, which means your hair stays in the growth phase longer.

2% MINOXIDIL HAIR GROWTH SERUM

Restore thinning hair
Reduce hair loss
Stimulate hair newborn
Nursing scalp

60 ml / 2.03 fl. oz

HOW TO USE

STEP 1

64MM * 102MM

DAV®

2% MINOXIDIL HAIR GROWTH SERUM

Restore thinning hair
Reduce hair loss
Stimulate hair newborn
Nursing scalp

IMPORTANT NOTICES
 You will notice increased hair loss in the first 2-4 weeks of the treatment. This is normal since the body is getting rid of the dead hair shafts to make room for new healthy ones.

If you derma roll, don't apply it afterward since that can cause irritation.

In the first two weeks of usage, you will notice your hair will get oily because of the lotion. It will get back to normal. Don't overwash, and let the body regulate its natural production.

You can wash your head multiple times per week, but don't use any shampoo, just use water and massage.

If you have any concerns about the side effects of the Minoxidil, please consult with your doctor.

DAV®

Active ingredient — 2% MINOXIDIL

OTHER INGREDIENTS
 WATER, MICHAMIDE, GLYCERIN, BUTYLENE GLYCOL, PANTHENOL, DISODIUM EDTA, 3- β -ETHYL ASCORBIC ACID, ROSA CANINA FRUIT OIL, SODIUM HYALURONATE, CAPILA LONGA, MALUS DOMESTICA FRUIT CELL CULTURE EXTRACT, CENTELLA ASIATICA ROOT EXTRACT, HYDROXYACETONE, NONE, 1,3-HEXANEDIOL.

HOW DOES 2% MINOXIDIL WORK?
 The 2% MINOXIDIL is designed to dilate blood vessels and improve the flow of blood to the area. It's applied to improve their ability to deliver nutrients and oxygen to the hair follicles. Minoxidil also helps increase the size of hair follicles, which promotes the growth of thicker, stronger hair. In addition, the topical treatment shortens the resting phase of hair growth, which means your hair stays in the growth phase longer.

 The 2% MINOXIDIL is designed to dilate blood vessels and improve the flow of blood to the area it's applied. It improves their ability to deliver nutrients and oxygen to the hair follicles. Minoxidil also helps increase the size of hair follicles, which promotes the growth of thicker, stronger hair. In addition, the topical treatment shortens the resting phase of hair growth, which means your hair stays in the growth phase longer.

DAV®

Active ingredient — 2% MINOXIDIL

OTHER INGREDIENTS
 WATER, MICHAMIDE, GLYCERIN, BUTYLENE GLYCOL, PANTHENOL, DISODIUM EDTA, 3- β -ETHYL ASCORBIC ACID, ROSA CANINA FRUIT OIL, SODIUM HYALURONATE, CAPILA LONGA, MALUS DOMESTICA FRUIT CELL CULTURE EXTRACT, CENTELLA ASIATICA ROOT EXTRACT, HYDROXYKETOPHENONE, 1,3-HEXANEDIOL.

HOW DOES 2% MINOXIDIL WORK?
 The 2% MINOXIDIL is designed to dilate blood vessels and improve the flow of blood to the area it's applied. It improves their ability to deliver nutrients and oxygen to the hair follicles. Minoxidil also helps increase the size of hair follicles, which promotes the growth of thicker, stronger hair. In addition, the topical treatment shortens the resting phase of hair growth, which means your hair stays in the growth phase longer.

Active ingredient
 Minoxidil 2%
 Purpose: Stimulate hair growth

Other ingredients
 Water, Minoxidil, Glycerin, Butylene Glycol, Panthenol, Disodium EDTA, 3- β -Ethinyl Ascorbic Acid, Rosa Canina Fruit Oil, Sodium Phosphates, Caprylic Acid, Malus Domestica Fruit Cell Culture Extract, Centella Asiatica Root Extract, Hydroxyacetone, L-Ascorbic Acid, L-Hexanediol.

How does 2% Minoxidil work?
 The 2% Minoxidil is designed to dilate blood vessels and improve the flow of blood to the area it's applied. It improves their ability to deliver nutrients and oxygen to the hair follicles. Minoxidil also helps increase the size of hair follicles, which promotes the growth of thicker, stronger hair. In addition, the topical treatment shortens the resting phase of hair growth, which means your hair stays in the growth phase longer.

Important notices
 You will notice increased hair loss in the first 2-4 weeks of the treatment. This is normal since the body is getting rid of the dead hair shafts to make room for new healthy ones.
 If you do not see any hair regrowth after 4 weeks, discontinue use.
 If you have any concerns about the side effects of the Minoxidil, please consult with your doctor.

DAV®

2% MINOXIDIL HAIR GROWTH SERUM

Restore thinning hair
Reduce hair loss
Stimulate hair regrowth
Nursing scalp

60 ml / 2.03 fl. oz.

HOW TO USE

STEP 1
For scalp
 Direct* jet the scalp with four sprays from the back to the crown to the frontal region (see the drawing).

STEP 2
 Massage with your hand to evenly distribute the lotion (apply pressure, so that blood flow can increase for both scalp and beard).

Manufactured for:
 Good Manager Holding Inc.
 21 Tamao Vista Blvd #207,
 Costa Mesa, CA 92626
