hero+ wipes EMS

Hero Wipes® EMS is designed for emergency medical service and healthcare professionals. Complies with OSHA's Bloodborne Pathogens standard requirements. Also meets CDC's guideline for hand hygiene in healthcare settings.

Hero Wipes® EMS features a broad spectrum and fast acting alcohol formula, which kills 99.9% of germs to reduce the risk of infection. Created as healthcare antiseptic wipes, Hero Wipes® EMS is intended for use by both emergency medical service personnel and healthcare professionals. Thick and stretchable wipes that are strong enough to stand up to vigorous use in removing bacteria off skin; especially when soap and water are not available.

Hero Wipes® EMS complies with OSHA's (Occupational Safety and Health Administration) Bloodborne Pathogens standard requirements to use antiseptic towelettes in lieu of hand washing facilities. Hero Wipes® EMS also meets CDC's (Center for Disease Control) guideline for hand hygiene in healthcare settings to use antimicrobial-impregnated wipes as an alternative to non-antimicrobial soap and water.

Flip open cap. Remove lid by pulling upward. Remove seal and discard.

Pull up corner of center sheet through larger opening. Do not push finger through slit.

Replace lid and pull out wipe at angle toward slit. Next sheet pops up automatically. See Directions for using wipes.

When finished, close cap to retain moisture. Store at room temperature.
