

HUMCO CASTOR OIL- castor oil liquid
Humco holding Group, Inc.

Humco Castor Oil, USP (Odorless - Tasteless)

Drug Facts

Active Ingredient

Castor Oil

Purpose

Stimulant Laxative

Use

For the temporary relief of occasional constipation. Bowel movement is generally produced in 6 to 12 hours.

Warnings

Do not use when abdominal pain, nausea, or vomiting are present unless directed by a doctor.

Ask a doctor before use

if you have noticed a sudden change in bowel habits that persists over a period of 2 weeks. Laxative products should not be used for a period of longer than 1 week unless directed by a doctor. Frequent or prolonged use may result in the dependence on laxatives.

When using this product

Discontinue use and consult a doctor if you have rectal bleeding or failure to have a bowel movement after the use of a laxative. These symptoms may indicate a serious condition.

If pregnant or breast feeding

ask a health professional before use

Keep out of reach of children.

In case of accidental overdose, seek professional assistance or contact a Poison Control Center immediately.

Directions

Preferably take on an empty stomach. May be taken with juice to improve taste.

Adults and children 12 yrs. of age and older: 1 to 4 tablespoons in a single daily dose or as directed by a doctor.

Children 2 to under 12 yrs. of age: 1 to 3 teaspoonfuls in a single dose or as directed by a doctor.

Children under 2 yrs. of age: Consult a doctor before use.

WARNINGS:

Do not use if Taper Evident Seal is broken or missing. This product is sealed with either a shrink band around cap imprinted "Sealed For your Protection" or foil seal under cap.

Other Information

storage. Keep tightly closed and away from excessive heat.

Inactive Ingredient

None

ADVERTENCIA: No utilice si el Sello de Protección está roto o ha sido removido. Este producto está sellado con una banda impresa con las palabras "Sealed For Your Protection" alrededor de la tapa o con un sello de aluminio bajo la tapa.

Información sobre el Medicamento	Propósito
Ingrediente Activo	Laxante estimulante
Uso	Para alivio del estreñimiento ocasional. Generalmente se produce un movimiento intestinal en 6 a 12 horas.
Advertencias	<ul style="list-style-type: none"> No utilice este producto cuando hay dolor abdominal, náusea, o vómito o menos que sea indicado por un médico. Consulte un médico antes de usar este producto si ha notado cambios súbitos, que persisten por más de 2 semanas, en sus hábitos intestinales. Los productos laxantes no deben ser usados por un período de más de 1 semana a menos que sea indicado por un médico. Su uso frecuente o prolongado puede resultar en dependencia de los laxantes.
Al utilizar este producto	Suspenda el uso de este producto y consulte un médico si tiene sangrado rectal o no puede tener evacuación intestinal después de usar un laxante. Estos síntomas pueden ser indicio de una condición seria.
Si está embarazada o lactando	consulte un profesional de la salud antes de utilizar este producto.
Mantenga fuera del alcance de los niños.	En caso de sobredosis accidental, busque ayuda profesional o contacte un Centro de Control de Envenenamiento inmediatamente.
Instrucciones	<p>Tome este producto preferiblemente con el estómago vacío. Se puede tomar con jugo para mejorar el sabor.</p> <ul style="list-style-type: none"> Adultos y niños de 12 años o mayores: 15 a 60 mililitros en una sola dosis diaria o según las instrucciones del médico. Niños de 2 años hasta menos de 12 años de edad: 5 a 15 mililitros en una sola dosis diaria o según las instrucciones del médico. Niños menores de 2 años de edad: Consulte un médico antes de usar.
Otra información	Almacenamiento: Mantenga herméticamente tapado y lejos del calor excesivo.
