-----

**Walgreens Acne Foaming Wash**  
**Acne Medication**

**Drug Facts**

**Active ingredient**

Benzoyl Peroxide 10%

**Purpose**

Acne medication

**Use**

- ◆ for treatment of acne

**Warnings**

**For external use only.**

**Do not use if you**

- ◆ have very sensitive
- ◆ are sensitive to benzoyl peroxide

**When using this product**

- ◆ skin irritation and dryness are more likely to occur if you use another topical acne medication at the same time. If irritation occurs, use only one topical acne medication at a time
- ◆ avoid unnecessary sun exposure and use a sunscreen
- ◆ avoid contact with the eyes, lips and mouth
- ◆ avoid contact with hair and dyed fabrics, which may be bleached by this product
- ◆ skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling. Irritation may be reduced by using the product less frequently or in a lower concentration.

**Stop use and ask a doctor if** irritation becomes severe

**If pregnant or breast-feeding,** ask a health professional before use.

**Keep out of reach of children.** If swallowed, get medical help or contact a Poison Control Center right away.

## Directions

- ◆ wet area to be cleansed
- ◆ apply acne wash and gently massage area for 1-2 minutes
- ◆ rinse thoroughly and pat dry
- ◆ because excessive drying of the skin may occur, start with 1 application daily, then gradually increase to 2 to 3 times daily if needed or as directed by a doctor
- ◆ if bothersome dryness or peeling occurs, reduce application to once a day or every other day
- ◆ if going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor

## Other information

Store at room temperature

## Inactive ingredients
