SnoreStop NasoSpray 60

Ingredients :

Nux Vomica 4X,6X, Belladonna 6X, Ephedra 6X, Hydrastis canadensis 6X, Kali bich. 6X, Teucrium marum 6X, Histaminium 12X.

Base:

Benzalkonium chloride, Glycerin, Potassium chloride, Potassium phosphate, Purified water, Sodium chloride, Sodium phosphate.

Directions :

Adults and children over 5 years old. Shake before each use. At bedtime, spray once into each nostril. Store below 30 degrees C.

Directions: Children over 5 years of age and Adults.

Shake before use. 1. Remove cap and safety clip. 2. Prime by placing nozzle between first and second finger with thumb on the bottom of the bottle. Pump sprayer firmly and quickly until a fine spray appears. 3. Insert spray tip into one nostril, pointing the tip toward the back of the nose. Spray quickly while breathing in through your nose. Clean tip of nozzle after each use and replace cap. Store at room temperature. May be used up to 4 times per day. Please discard 6 months after first use.

For Maximum Results, use in conjunction with SnoreStop FastTabs or SnoreStop Extinguisher.

Warnings:

Use only as directed. **Keep this out of reach of children.** Do not use on children under 5 years of age. **If pregnant or breastfeeding**, ask a physician before use. This product does not treat sleep apnea. For sleep apnea, consult with a specialist. **If symptoms worsen after 14 days**, discontinue use and ask a physician for help.
