Tai Guk Pharm. Co., Ltd.**

-----  
**PERIOE POP Sensitivity Care Prebiotic Toothpaste Clean Mint 120 g**

**Drug Facts**

***Drug Facts***

**Active Ingredient**

STANNOUS FLUORIDE 0.454% (0.14% w/v fluoride ion)

**Purposes**

Anticavity, antigingivitis, antisensitivity toothpaste

**Uses**

- aids in the prevention of cavities
- helps prevent gingivitis
- helps interfere with the harmful effects of plaque associated with gingivitis
- helps control plaque bacteria that contribute to the development of gingivitis
- builds increasing protection against painful sensitivity of the teeth to cold, heat, acids, sweets or contact

**Warnings**

**Warnings**

**When using this product**

**When using this product** do not use for sensitivity longer than four weeks unless recommended by a dentist.

**Stop use and ask a dentist**

**Stop use and ask a dentist** if the sensitivity problem persists or worsens. Sensitive teeth may indicate a serious problem that may need prompt care.

**Keep out of reach of children**

**Keep out of reach of children.** If more than used for brushing is accidentally swallowed, get medical help or contact a Poison Control Center right away.

**Directions**

- adults and children 12 years & older: apply at least a 1-inch strip of the product onto a soft bristle toothbrush. Brush teeth thoroughly for at least 1 minute twice a day (morning and evening) or as recommended by a dentist. Make sure to brush all sensitive areas of the teeth.
- do not swallow
- **children under 12 years: ask a dentist.**

### **Other information**

- products containing stannous fluoride may produce surface staining of the teeth
- adequate brushing may prevent these stains which are not harmful or permanent and may be removed by your dentist
- this toothpaste is specially formulated to help prevent staining
- see your dentist regularly

### **Inactive Ingredients**
