

**ANNA LOTAN PREMIUM BB CREAM SPF46 PALE BEIGE- titanium dioxide,
octinoxate cream
Anna Lotan Ltd**

anna lotan Premium BB Cream SPF46 Pale Beige

Drug Facts

Active Ingredients

Titanium Dioxide 16%
Octinoxate 6.99%

Purpose:

Sunscreen

Uses

- Helps to prevent sunburn
- If used as directed with other sun protective measures (see ***Directions***), decreases the risk of skin cancer and early skin aging caused by the sun.

Warnings

For external use only • Do not use on damaged or broken skin.

When using this product keep out of eyes. If contact occurs rinse thoroughly with water to remove.

Stop use and ask a doctor if rash occurs.

Keep out of reach of children. If product is swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Apply liberally 15 minutes before sun exposure.
- Reapply: • after 40 minutes of swimming or sweating. • immediately after towel drying • at least every 2 hours.
- **Sun Protection Measures.** Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease this risk, regularly use a sunscreen with a broad spectrum SPF of 15 or higher and other protection measures including: • Limit time in sun from 10 a.m.- 2 p.m. • Wear long-sleeve shirts, pants, hats and sunglasses.
- Children under 6 months: Ask a doctor.

Inactive Ingredients

Water, Caprylic/Capric Triglyceride, Dicaprylyl Ether, Cyclopentasiloxane, Talc, Cetyl PEG/PPG-10/1 Dimethicone, Dimethicone, Cyclohexasiloxane, Cetearyl Ethylhexanoate, Methyl Methacrylate Crosspolymer, Dipalmitoyl Hydroxyproline, Myristyl Myristate, Phenoxyethanol, Stearalkonium Hectorite, Microcrystalline Wax, Sodium Chloride, Paraffin, Polysilicone-11, Propylene Carbonate, Ethylhexylglycerin, Tocopherol, Helianthus Annuus (Sunflower) Seed Oil, BHT, Iron Oxides (CI 77491, CI 77492, CI 77499).

PRO

SUN Select

Pale Beige **1**

for normal/dry skin

A multi-functional formula that serves as an optimal day care for normal to dry skin types, giving long lasting coverage, moisturisation and a wrinkle-relaxing effect.

- A concentrated formula. A little will go a long way.
- Applied in the morning, still looks great at the end of a busy day.
- Formulated as a W/O emulsion that naturally repels water. However, care should be taken when regularly used on skin with enlarged pores!
- Excellent spreading and adherence on the skin, offering optimal coverage for discolorations, including under eye dark circles!
- A targeted combination of the amino acid proline and palm oil enhances skin penetration and provides a “plumping” anti-wrinkle effect, making it ideal for dry, mature skin.
- Enriched with emollient oils that smooth the skin and prevent the typical accentuation of fine lines common with many concealing makeup products.
- Vitamin E acts as antioxidant minimizing free radical damage.
- Premium BB Cream combines concealing opacity with a light translucent veil which becomes apparent once the cream is fully absorbed. This veil allows your natural skin tone to shine through.

Directions: Using sparingly, carefully spread the cream with fingertip massage to form an even layer on face, under eye area or wherever required until a smooth, even coverage is obtained.
