

HIVES- apis mellifera, urtica urens, sodium chloride, and arsenic trioxide tablet, soluble
Hyland's

Disclaimer: This homeopathic product has not been evaluated by the Food and Drug Administration for safety or efficacy. FDA is not aware of scientific evidence to support homeopathy as effective.

Hives

Formerly Hyland's #46, Hyland's Hives is a traditional homeopathic formula for the relief of symptoms of red, swollen and itching rashes that appear with sudden onset. Working without contraindications or side effects, Hyland's Hives stimulates your body's natural healing response to relieve symptoms. Hyland's Hives is safe for adults and children and can be used in conjunction with other medications.

Warnings

Do not use if imprinted cap band is missing or broken.

If symptoms persist for more than seven days or worsen, contact a licensed health care professional.

Discontinue if symptoms are accompanied by a high fever (over 101°F) and contact a licensed health care professional.

As with any drug, if you are pregnant or nursing a baby, seek the advice of a licensed health care professional before using this product.

Keep this and all medications out of the reach of children. In case of accidental overdose, contact a poison control center immediately.

Indications

Relief of symptoms of red, swollen and itching hives or welts on the skin that appear with sudden onset.

Directions

Adults: Dissolve 2-3 tablets under tongue every 4 hours or as needed.

Children 6 to 12 years old: 1/2 adult dose.
