relief

JUSTCBD™ Ultra Relief Gel is infused with USA grown hemp-derived CBD. It helps ease areas of discomfort that need it most.

*The FDA has not evaluated this product for safety or efficacy; there is no current standardized methodology for verifying full spectrum THC content as required by Florida state law. Full spectrum THC potency is verified by an independent third-party lab. The results of the independent third-party lab tests are available to you on our website and by scanning the QR code on the package. Test results may vary by dose and by packaging. If full spectrum THC is used beyond the expiration date, potency may decrease. May cause drowsiness, do not drive, or operate heavy machinery while taking full spectrum THC.
