Noxicare™ is based on proven natural remedies that have been used for centuries. Now for the first time, these ingredients have been formulated together to create the most effective combination of phytonutrients, working synergistically to provide effective pain relief.

Alpha Lipoic Acids are anti-oxidants used for increasing blood flow to the nerves.

Boswellia Extract is an anti-inflammatory used to treat arthritis and joint pain.

Ginger Extract helps alleviate muscle strains, arthritis and rheumatism, and is a catalyst for improving the effectiveness of other herbs.

Holy Basil Extract properties include anti-inflammatory and anti-oxidant.
