Pramox SHAMPOO

Drug Facts

Active Ingredients

Pramoxine Hydrochloride , USP 1%

Purpose

Topical Anesthetic

Inactive Ingredients

Water, Sodium C14-16 Olefin Sulfonate, Disodium Cocoamphodiacetate, Sodium Chloride, Cocamidopropyl Betaine, Glycerin, Sodium Lactate, Hydrolyzed Oats, Carthamus tinctorius (Safflower) Seed Oil, Fragrance, Citric Acid, Methylchloroisothiazolinone, Methylisothiazolinone.

Uses:

a medicated shampoo for the temporary relief of itching and scratching on dogs, cats and horses with dermatological conditions responsive to pramoxine.

Directions for Use:

Shake well before use. Wet the hair coat with warm water and apply a sufficient amount of shampoo to create a rich lather. Massage shampoo into wet hair coat, lather freely. Rinse and repeat. Allow to remain on hair for 5 to 10 minutes, then rinse thoroughly with clean water. May be used initially 2 to 3 times a week for 4 weeks, then reducing to once a week, or as directed by your veterinarian.

Precautions

For topical use on animals only. If redness or irritation persists or increases, discontinue use and consult a veterinarian. Avoid contact with the eyes. If eye contact occurs, rinse thoroughly with water and consult a veterinarian.

Keep out of reach of children. In case of contact with eyes or mucous membranes, flush

with copious amounts of water for 5-10 minutes. If irritation persists seek medical attention immediately.

Anti-itch Shampoo

For Temporary Relief of Dermatological Conditions Responsive To Pramoxine.

Tropical Guava

Formulated for Dogs, Cats & Horses

At Animal Pharmaceuticals we strive to provide the best nutritional and topical treatments for your pet by going above and beyond...and we don't stop there. We know that caring for your pet is just as important as caring for your own health, so we've developed and implemented systems that make things easier on you and convenient for your veterinarian.

OUR ASSURANCE
Animal Pharmaceuticals products are designed with our proprietary technology that helps retrieve and sustain the nutrients and healthful ingredients. Our proprietary formulation enhances the effects of functional ingredients and penetrates the skin and the effective areas to exert the corrective results.

Additionally, and as always, you'll find that all our bottles and containers are made of recyclable plastic. Please help us protect the environment by recycling.

ALL PRODUCTS ARE MADE IN THE U.S.A
