* The letters 'HPUS' indicate that the components in this product are officially monographed in the Homeopathic Pharmacopœia of the United States.

Also Contains Certified Organic

Cypress Oil, Eucalyptus Radiata Oil, Lavandin Oil, Palmarosa Oil, Pelargonium Graveolens Leaf Oil, Tea Tree Oil

Directions

Apply to area of outbreak. For best results apply immediately at the first sign of an outbreak. Apply 3-5 times per day during an outbreak or when you feel one coming on. Use of this product during the prodrome phase (tingling before the outbreak that some people experience) improves results. It may also be helpful to rub this oil on the soles of your feet 3 times per day during an outbreak.

For external use only. Avoid contact with eyes.

Warnings

If symptoms of pain and swelling worsen consult a health care professional. Some individuals may be sensitive to tea tree or other oils. Begin with a small drop to determine if the product causes any increased redness or irritation and discontinue use if it irritates your skin.

If you are pregnant or breast-feeding, ask a health professional before use.

Keep out of the reach of children. If accidental ingestion, get medical help or contact a Poison Control

Center.

For external use only. Do not apply to the eyes or mucous membranes. Keep all medicines out of the reach of children. Stop use and ask a doctor if condition worsens or symptoms last more than 7 days.
