Glowscreen SPF 40 Sunset

Active Ingredients:

Avobenzene 3%, Homosalate 4%, Octisalate 5%, Octocrylene 8%

Uses:

Helps prevent sunburn • If used as directed with other sun protection measures (see Directions), decreases the risk of skin cancer and early skin aging caused by the sun

For external use only • Do not use on damaged or broken skin • Stop use and ask a doctor if rash occurs • When using this product keep out of eyes • Rinse with water to remove

• Keep out of reach of children • If swallowed, get medical help or contact a Poison Control Center right away

• Stop use and ask a doctor if rash occurs

Directions:

apply generously and evenly 15 minutes before sun exposure • reapply at least every 2 hours • use a water resistant sunscreen if swimming or sweating • Sun Protection Measures. Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease this risk, regularly use a sunscreen with broad spectrum SPF of 15 or higher and other sun protection measures including: • limit time in the sun, especially from 10 a.m. - 2 p.m. • wear long-sleeve shirts, pants, hats, and sunglasses • Children under 6 months: Ask a doctor

Protect the product in this container from excessive heat and direct sun

Broad Spectrum Sunscreen
SPF 40 PA+++
1.7 fl. oz. / 50 mL

GLOWSCREEN™
SPF 40 is a lightweight, pearlescent formula that hydrates the skin, while acting as a luminous, makeup-gripping primer. SPF hack: This deep bronze shade also doubles as a highlighter wherever you want an extra little dose of (sun)shine.

EVERY. SINGLE. DAY.™
Since 2005, I've been on a mission to change the way the world thinks about sunscreen through Supergoop!'s clean, feel-good, innovative formulas. And because SPF is one of the most important things you can do for your skin, we've made it a point to create options for all skin types, tones and routines. I hope this formula becomes a new favorite and that it helps you do whatever it is you love in the sunshine.
