and never animal tested.

Paula Begoun

exfoliant

118 ml / 4 fl. oz.

Drug Facts

Active Ingredients	Purpose
Salicylic Acid 2.0%	Acne Treatment

Uses

- For the treatment of acne.
- Penetrates pores to eliminate most acne blemishes, blackheads and whiteheads.
- Helps prevent new acne blemishes, blackheads and whiteheads.

Warnings

For external use only.

Do not use:

- On broken skin.
- On large areas of the body.

When using this product skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Stop use and ask a doctor if skin irritation occurs or gets worse.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions After cleansing with Paula's Choice Clear Pore Normalizing Cleanser:

- Cover the entire affected area with a thin layer one to three times daily.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor.
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.

Other Information Store at 20–25°C (68–77°F).
