RESEAL AFTER OPENING

What is capsaicin?

Capsaicin is a naturally occurring ingredient in chili peppers.

How does capsaicin work?

Extract from the chili pepper plant has proven effective in decreasing intensity and blocking pain signals within the body. Blocking these pain signals can help to provide relief for common aches and pains, including minor backaches, arthritis, pain, strains and bruises.

Drug Facts

Active ingredient Purpose
Capsaicin 0.025% Topical analgesic

Uses: Temporary relief of minor pain of muscles and joints associated with: arthritis, minor backache, strains, sprains and bruises

Warnings

For external use only

Allergy alert: If you are allergic or suspect you are allergic to the ingredients of this product, including chili peppers, consult with your physician before use.

Do not use: on wounds or damaged skin; with pain relievers, medicated lotions, creams or ointments; with a heating pad.

When using this product: use only as directed; avoid contact with eyes, mucous membranes or rash; do not bandage tightly; discontinue use at least 1 hour before a bath or shower.

Do not use immediately after a bath or shower; do not microwave; dispose of used patch in manner that always keeps product away from children and pets. Used patches still contain the drug product that can produce serious adverse effects if a child or pet chews or ingests the patch.

Stop use and ask a doctor if skin reactions such as redness, itching, rash, excessive irritation, burning sensation, swelling or blistering occur; condition worsens; symptoms persist more than 7 days; symptoms clear and recur within a few days.

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children. If swallowed, contact a poison control center (1-800-222-1222) immediately.

Directions

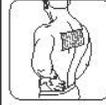

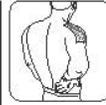

Adults and children 12 years of age and over: clean and dry affected area; remove patch from film; apply to affected area not more than 2 to 4 times daily; use one patch for up to 8 hours; discard patch after single use. Children under 12 years of age: consult a physician.

Other information

Avoid storage in direct sunlight; protect patch from excessive moisture.

Inactive ingredients

hydrogenated C6-20 polyolefin, pentaerythritol tetra-di-t-butyl hydroxyhydroximate, petroleum styrene/isoprene copolymer
