

LA ROCHE POSAY EFFACLAR DERMATOLOGICAL ACNE SYSTEM 3 STEP ACNE ROUTINE- benzoyl peroxide and salicylic acid
L'Oreal USA Products Inc

Drug Facts

Effaclar Medicated Gel Cleanser

Drug Facts

Active ingredient

Salicylic acid 2%

Purpose

Acne treatment

Use

for the treatment of acne

Warnings

For external use only

When using this product

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- use twice daily
- wet face, then work product into a lather
- massage onto face avoiding the eyes
- rinse well

Inactive Ingredients

water, sodium laureth sulfate, decyl glucoside, glycerin, sodium chloride, coco-betaine,

sodium hydroxide, PEG-150 pentaerythrityl tetrastearate, citric acid, hexylene glycol, PEG-6 caprylic/capric glycerides, zinc gluconate, tetrasodium EDTA, polyquaternium-47, menthol, capryloyl salicylic acid, sodium benzoate

Effaclar Clarifying Solution

Drug Facts

Active ingredient

Salicylic acid 0.5%

Purpose

Acne treatment

Use

for the treatment of acne

Warnings

For external use only

When using this product

skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- clean the skin thoroughly before applying this product
- cover the entire affected area with a thin layer one to three times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every

other day

Other information

Sunburn Alert: This product contains an alpha hydroxy acid (AHA) that may increase your skin's sensitivity to the sun and particularly the possibility of sunburn. Use a sunscreen, wear protective clothing and limit sun exposure while using this product and for a week afterwards.

Inactive Ingredients

water, alcohol denat., propanediol, glycolic acid, sodium hydroxide, capryloyl glycine, phenoxyethanol, benzyl alcohol, PPG-26-buteth-26, PEG-40 hydrogenated castor oil, menthol, tremella fuciformis polysaccharide, butylene glycol, ophiopogon japonicus root extract, scutellaria baicalensis root extract

Effaclar Duo Dual Action Acne Treatment

Drug Facts

Active ingredient

Benzoyl peroxide 5.5%

Purpose

Acne medication

Uses

- for the treatment of acne
- dries and clears acne blemishes and allows skin to heal

Warnings

For external use only

Do not use if you

- have very sensitive skin
- are sensitive to benzoyl peroxide

When using this product

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- avoid unnecessary sun exposure and use a sunscreen
- avoid contact with the eyes, lips, and mouth
- avoid contact with hair and dyed fabrics, which may be bleached by this product
- skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling. Irritation may be reduced by using the product less frequently or in a lower concentration

Stop use and ask a doctor if

irritation becomes severe

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- cleanse the skin thoroughly before applying this product
- cover the entire affected area with a thin layer one to three times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day
- if going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor.

Other information

store at 20° - 25°C (68° - 77°F)

Ingredients

water, isostearyl alcohol, glycerin, pentylene glycol, silica, carbomer, capryloyl salicylic acid, potassium hydroxide, tocopheryl acetate, acrylates/C10-30 alkyl acrylate crosspolymer, disodium EDTA, epilobium angustifolium flower/leaf/stem extract
