Nourishing Daily Defense Lotion SPF 15

75 ml/ 2.5 fl.oz.

**Nature's Skin Nutrition-**

Nourishing Daily Defense Lotion provides immediate hydration in a lightweight formula. SPF 15 shields from harmful UVA and UVB rays while DNA defense enzymes protect skin and help correct the visible signs of damage caused by sun exposure. A specialized moisture replenishing complex preserves skin's optimal moisture content.

**Application:** With fingertips, smooth gently and evenly over face and neck.

**Warning:** For external use only. Avoid contact with eyes. Rinse with water if eye contact occurs. Discontinue use and consult a doctor if rash or irritation develops and persists. Keep out of reach of children.

**Active Ingredients:** Ethylhexyl methoxycinnamate 7.5%, zinc oxide 3%.
