

BACKAID MAX- acetaminophen, pamabrom tablet, film coated
Alva-Amco Pharmacal Companies, Inc.

BackAid

Active ingredients (in each caplet)

Acetaminophen, 500 mg

Pamabrom, 25 mg

Purpose

Analgesic (pain reliever)

Diuretic

Uses

For the temporary relief of:

- minor aches, pains and related discomforts due to muscle strain, spasms or overexertion including those affecting the back, legs and joints
- pressure-caused discomforts due to periodic excess water retention

Warnings

Liver Warning: This product contains acetaminophen. Severe liver damage may occur if you take

- more than 6 caplets in 24 hours, which is the maximum daily amount
- with other drugs containing acetaminophen
- 3 or more alcoholic drinks every day while using this product.

Allergy Alert: Acetaminophen may cause severe skin reactions. Symptoms may include:

- skin reddening
- blisters
- rash

If a skin reaction occurs, stop use and seek medical help right away.

Do not use

- with any other drug containing acetaminophen (prescription or non-prescription). If you are not sure whether a drug contains acetaminophen, ask a doctor or pharmacist.
- for more than 10 days for pain unless directed by a doctor
- for more than 3 days for fever unless directed by a doctor

Ask a doctor before use if you have liver disease.

Ask a doctor or pharmacist before use if you are taking the blood thinning drug warfarin.

Stop use and ask a doctor if

- symptoms do not improve
- new symptoms occur
- pain or fever persists or gets worse

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children. In case of overdose, get medical help or contact a poison control center right away. Prompt medical attention is critical for adults as well as for children even if you do not notice any signs or symptoms.

Directions

- Read all package directions and warnings before use. Use only as directed.
- Adults: Two (2) caplets with a full glass of water every 6 hours while symptoms persist, not to exceed 3 doses (6 caplets) in 24 hours, or as directed by a doctor.
- Do not exceed recommended dosage.
- For use by normally healthy adults only.
- Persons under 18 years of age should use only as directed by a doctor.

Other information

- Magnesium content: 5 mg/caplet
- ****CONTENTS SEALED:** Each BACKAID MAX golden-colored, oval shaped caplet bears the identifying mark "ALVA" and is sealed in a clear plastic blister with a paper/foil backing. Do not use if seal appears broken or if product contents do not match product description.
- You may report serious side effects to the phone number provided under *Questions?* below.
